

FINAL INSIGHTS & BUSINESS RECOMMENDATIONS

AAL — Sales Analysis Report for Oct–Dec 2020

◆ 1. Overall Performance Summary

- Total sales remained strong, with demand increasing again toward December, making it the best-performing month.
 - November recorded a noticeable dip in both Units and Sales.
 - Compared to October, December shows a clear upward trend, indicating strong seasonal demand.
-

◆ 2. Monthly Insights

October

- Stable performance.
- Second-highest Units and Sales among the three months.

November

- Clear decline in customer activity.
- Likely reasons: seasonal slowdown before holiday rush.

December

- Highest sales volume and highest demand.
 - Outliers seen in Unit and Sales distribution indicate strong peak-day performance, possibly due to holiday shopping.
-

◆ 3. Statewise Insights

- **Top-performing states (highest sales):** ✓ KY (Kentucky) and a few other strong performers
 - **Lowest-performing state:** ✗ WA (Washington)
 - Gap between top and bottom states is notable — opportunity for targeted improvement in low-performing regions.
-

◆ 4. Groupwise Insights (Kids, Men, Women, Seniors)

- **Men's category** performs the best in both Units and Sales.

- Women and Kids groups follow moderately.
 - **Seniors group** shows the lowest demand — lowest Units & Sales.
 - Could indicate limited product range or lower market interest.
-

◆ 5. Timewise Insights (Morning, Afternoon, Evening)

- **Morning** is the most active sales window — highest revenue.
 - Afternoon performs decently.
 - **Evening** shows the lowest activity in both Units and Sales.
 - Indicates reduced customer engagement later in the day.
-

Business Recommendations

✓ 1. Strengthen Inventory & Marketing in December

- Increase stock levels in the Men's and Women's categories.
- Prepare holiday campaigns earlier (late November) to boost early December demand.

✓ 2. Improve Sales in Low-Performing States

- Particularly Washington (WA).
- Consider:
 - Localized promotions
 - Improving product-mix
 - Targeted online ads
 - Collaborations with local influencers

✓ 3. Boost Evening Sales

- Introduce "Evening Specials"
- Limited-time discounts (6 PM–9 PM)
- Flash sales to drive customers later in the day

✓ 4. Focus on Strengthening Underperforming Groups

Especially Seniors:

- Introduce senior-friendly clothing lines
- Offer senior discounts
- Run special weekend promotions

✓ 5. Optimize Inventory Based on Trends

- Allocate more inventory to Men, especially in high-performing states.
- Reduce excess stock in lower-performing groups.

❏ Conclusion

The Oct–Dec 2020 analysis clearly shows:

- Strong seasonal demand in December
- Men's category dominates performance
- Morning is the most productive sales period
- Washington (WA) requires deeper attention
- Seniors segment offers growth opportunity with the right strategy

AAL can use these insights to plan:

- Inventory
- Marketing
- Seasonal sales strategy
- Statewise business decisions to improve performance in upcoming quarters.
